

pricing guide: stubby coolers

Printed in full colour, so you can have photos, images, logos and text all the way around, our stubby coolers have bases and side stitching for a quality finish. These little beauties go on for years, being handed around and looked at in many settings, so why not put your logo, services and contact details on one and maximise this simple, but effective advertising medium?

Most popular option:

100 full colour print with standard turnaround

Budget-friendly option:

1000 full colour print with standard turnaround
(cheapest option per unit)
